Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Friday 26 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright this morning. Wind, rain and hill snow later.

Today:
A few wintry showers in the west this morning, otherwise dry and bright. Strengthening northwesterly winds will bring rain, sleet and hill snow southwards later this afternoon. Gales developing along the Angus towards dusk. Maximum temperature 5 deg C (41 deg F).

Tonight:
Rain and snow clearing this evening. Then clear periods and wintry showers. Very windy at first, strong to gale force northeasterly winds, perhaps storm force along coasts this evening. Minimum temperature 0 deg C (32 deg F).

Saturday:
A cold and bright day with some good spells of sunshine in the south. Some wintry showers across Angus and northern Perthshire. Brisk northerly wind along the coast. Maximum temperature 4 deg C (39 deg F).

Outlook for Sunday to Tuesday:
Dry, sunny and cold on Sunday. Remaining dry and cold into Monday. Mostly dry on Tuesday.
